## **UPDATE ON SHOOTING IN WEST FRISCO**

**FRISCO, TX** – Detectives with the [Frisco Police Department](#) are continuing to actively investigate a shooting that occurred in the parking lot of Wal-Mart located at 12220 FM-423 last night, which has left a 20-year-old resident of Little Elm in critical condition this morning at Methodist Dallas Medical Center.

The shooting occurred last night at around 5:30 p.m. in the far west end of the Wal-Mart parking lot. It is believed the victim and a friend of his, also a resident of Little Elm, went to the location in order to perform a narcotics transaction. During the illegal transaction, two shots were fired striking the victim once in the upper torso. Witnesses stated that they then observed two unidentified black males flee the scene in a vehicle while the victim's friend remained on-scene. The victim was transported via CareFlite to the hospital.

Numerous witnesses observed the incident and have been able to assist in the investigation. In addition, detectives are reviewing a myriad of video surveillance from the area that captured the incident. The shooting is believed to be a targeted act between two parties who were engaged in illegal activity at a central meeting spot.
